## Action Strategy

Freedom 4/24 employs a "Strategic Partnerships" model to accomplish its mission worldwide. Additionally, we host a variety of awareness and fundraising events including 5K walk/runs, individual event fundraisers, and a black-tie gala to galvanize local communities to join in the fight against sexual exploitation and human trafficking. In 2018 we hosted more than 24 such events throughout the United States. Finally, Freedom 4/24 provides direct programming through its Awareness & Education (A&E) Initiative, prevention education specifically targeting domestic youth to protect them from exploitation and trafficking.

### Programs - Lives impacted: 3,735
